HANDLER DISCRIMINATION DIVISION

Handler Discrimination classes are titling classes in which the targeted scent is that of the handler themselves. Handlers are required to provide their own scented articles in a plastic bag, for the Novice class, one cotton glove or cotton sock, for Advanced, Excellent, and Master, cotton balls or cotton swabs. Three qualifying scores are required to earn titles in each class.

SEARCH AREA CONDITIONS

Search areas may be of any shape, and of the size specified in the Regulations for each class.

Search Area Conditions. Searches may be indoors, on matted, carpeted, or tiled surfaces, or outdoors on grass, gravel, earth, concrete, or asphalt surfaces. Search Area Sizes will be as required in the Regulations for AKC Scent Work.

STAGING AREA AND BRIEFING

Staging Area will be out of view of search area(s). Staging area will include crating, warm-up and waiting area, as well as the secretary table for check-ins and posting of running order and results.

The Handler's Briefing will take place in view of the search area prior to the start of each class, after the hide(s) have been set and after the Demo Dog has run. In the Handler's Briefing the judge will explain if there's an off-leash option, number of hides, maximum height of hides and maximum time for the search. NO DOGS are to be present during the Handler's Briefing.

A warm-up area the club shall designate a warm-up area. One labelled container per target odor being used in the trial on that day will be placed in the warm-up area. This will allow handler-dog teams to prepare themselves for the search prior to their run. Each team should limit their warm-up to two minutes or less so that others may be able to use the warm-up area as well. Clubs may also place blank containers.

SITE INFORMATION

Trial Site. It is not appropriate to scout the trial location prior to the trial date. Many search locations are real-life environments and such visits may risk the host losing the opportunity to use the location in the future.

Possession of Odors and Training. Chapter 5. Section 35 of the Scent Work Regulations state "No person other than those engaged in the administration of a trial shall be in possession of any target odor when on the trial grounds. There shall be no training on the grounds of the AKC Scent Work trial, other than the designated warm-up area".

Spectator Area. Spectators are encouraged. Any person not handling a dog in the current class, or any person who has already completed their run in the class may choose to watch the search from the spectator area. Handlers may not watch other exhibitors from their class prior to their run except in the case of Handler Discrimination classes. No one outside the search area may assist the handler or disclose the location of the hide.

Integrity of searches. If anyone is found to be discussing a search before classes have ended, all parties in the discussion will be penalized with a "not qualified" NQ for all classes entered that day and will forfeit entry for subsequent days as well. For persons not entered, the Event Committee may ask those involved to leave.

Crating space will be available to workers and judges only. XPENS ARE NOT ALLOWED. The event site requires a tarp to be placed on the floor underneath your crates. Crates may be left overnight; however, the Grand Traverse Kennel Club and the Career Tech Center will not be responsible for any lost or damaged items left at the show site.

CRATING WILL BE OUT OF CARS FOR ALL EXHIBITORS

Exhibitors are responsible for cleaning up after their dog(s). Any exhibitor failing to do so may be excused without benefit of refund if the Event Committee deems the exhibitor to be in violation of this requirement. Cleaning supplies and disposal sites will be available at various locations around the show grounds.

RV Parking is available at trial site.

ADDITIONAL SITE INFORMATION

SAFETY, BEHAVIOR, AND LIABILITY

The safety of the dog is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all searches safely. It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the trial committee, be asked to leave the show site. In such case, no refund of any fees paid will be made. The American Kennel Club and its agents, employees, etc., will assume no responsibilities for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children. The American Kennel Club reserves the right to decline entries for cause and may remove any dog on account of aggression. No one shall have any recourse or claim against the American Kennel Club or any official thereof.

Collars, Leashes and Harnesses. During searches, dogs must wear a properly fitted collar or harness approved by the judge. A wearable camera such as a Go Pro may be mounted to the dog's harness, if desired. Leashes may be of any length and/or retractable. The leash should be made of plain, pliable material. All dogs must be on leash at all times, and retractable leashes may not be used when on trial grounds (except during judged searches). Dogs must enter and exit the search area with the leash attached to the collar or harness, including when waiting in the search area before and after the search. An off-leash option may be offered at the discretion of the judge, only if the area is completely enclosed.

Exhibitors should follow their veterinarian's recommendation to assure their dogs are free of internal and external parasites, any communicable diseases, and have appropriate vaccinations." Additionally, clubs should include any specific local or state health requirements; for example, proof of rabies vaccination.

Claims will be arbitrated as set forth on the Official AKC Entry Form for this event.

RINGSIDE

Judges are not required to wait for dogs. The Owner of each dog is solely responsible for having it ready at the search area when it is to be judged. The Club has no responsibility to provide service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required.

EXHIBITOR CHECK-IN

At check-in you will receive your armband number. Once the time and location for check-in is determined all exhibitors will be notified by email.

EXHIBITORS MUST CHECK-IN EACH DAY ENTERED

PHOTOS AND VIDEOS

Exhibitors are welcome to photograph and/or video their own dogs either by another person or using a Go-Pro camera or the like as permitted by AKC.

Exhibitors are encouraged to share their own dogs searching on social media and/or website upon completion of that day's trials. No person should post photos or video of dogs they do not own without explicit permission from that dog's owner. Judges may photograph and/or video searches they are judging for the purpose of their own education. Judges' photos and/or videos may not be displayed or used for any purpose other than their own viewing without explicit permission of GTKC and the dogs owners. Similar penalties as explained in the section "Integrity of Searches" may be imposed for violation of photo/video rules. Photographers/Videographers authorized by GTKC to document it's events may be present at these trials. You may decline their taking video or photos of you and/or your dog.

NO PHOTOS OR VIDEO MAY BE POSTED, DISPLAYED OR SHOWN UNTIL AFTER THE COMPLETION OF THE TRIALS
